**Sandals:** The World's Best All-Inclusive Resorts

Innovation is the cornerstone of everything Sandals does. It has been since the company's very beginnings, and it is why Sandals has been rewarded with accolades and awards from all corners of the travel industry. Forty years after opening its very first resort in Montego Bay, Sandals now has 17 Luxury Included® Resorts on seven islands across the Caribbean – in Jamaica, Antigua, Saint Lucia, Bahamas, Grenada, Barbados, and now Curaçao – and continues to expand to new islands.

**Beaches:** The World's Leading All-Inclusive Family Resorts

At the insistence of couples who loved Sandals Resorts who wanted to share a similar experience with their families, the first Beaches Resort opened in 1997. It didn't take long for Beaches Resorts to establish itself as the Caribbean's ultimate family-friendly all-inclusive resort. With two luxurious resorts in Jamaica, one in Turks and Caicos – and one opening soon in St. Vincent and the Grenadines – Beaches creates unforgettable vacation experiences for guests of all ages.
